**AIMS AND SCOPE**

*The Iranian Journal of Kidney Diseases (IJKD)*, a peer-reviewed journal in English, is the official publication of the Iranian Society of Nephrology. The aim of the *IJKD* is the worldwide reflection of the knowledge produced by the scientists and clinicians in nephrology. Published every 2 months, the *IJKD* provides a new platform for advancement of the field. The journal's objective is to serve as a focal point for debates and interchange of knowledge and experience among researchers in a global context. Original papers, case reports, and invited reviews on all aspects of the kidney diseases, hypertension, dialysis, and transplantation will be covered by the *IJKD*. Research on the basic science, clinical practice, and socio-economics of renal health are all welcomed by the editors of the journal.

**DISCLAIMER**

The statements and opinions expressed in the *IJKD* reflect solely the views of the author(s) and contributor(s) and not of the opinion of the Iranian Society of Nephrology. The appearance of advertisements in the Journal does not reflect a warranty, endorsement, or approval of any of the products or services described. The Iranian Society of Nephrology disclaims responsibility for any injury to persons or property resulting from any ideas or products referred to in the articles or advertisements.
